FICTIONAL TEST DOCUMENT

Invented usability-test input. Not a real certificate or personal record.

Incomplete note

Profile scribble: P8, Sable Wong, Year 3, BBA (Management), HKUST.

I think the item was "Custom Phone Cases". The organiser line says "Social-media orders", which is vague. The date is written as 1 Mar 2022 - 31 Oct 2026. Hours served: N/A. Award received: None. Year of award: N/A. Someone might file this under Other. The role on the paper is "Seller".

What the note actually says: Sold phone cases whenever orders appeared, with no registered business, no award, and no clean sales record.
