FICTIONAL TEST DOCUMENT

Invented usability-test input. Not a real certificate or personal record.

Incomplete note

Profile scribble: P1, Liana Fok, Year 3, BBA (Finance), HKUST.

I think the item was "Peer Internship Chats". The organiser line says "No fixed organiser", which is vague. The date is written as 1 Sep 2022 - 31 Oct 2026. Hours served: 96. Award received: None. Year of award: N/A. Someone might file this under Volunteering. The role on the paper is "Occasional mentor".

What the note actually says: Answered first-year internship questions whenever someone messaged, with no rota, no supervisor, and no written end date.
