FICTIONAL TEST DOCUMENT

Invented usability-test input. Not a real certificate or personal record.

Incomplete note

Profile scribble: P5, Helena Chiu, Year 4, BEng Mechanical Engineering, HKUST.

I think the item was "Failed Print Notebook". The organiser line says "Personal folder", which is vague. The date is written as 15 Jan 2022 - 31 Oct 2026. Hours served: N/A. Award received: None. Year of award: N/A. Someone might file this under Other. The role on the paper is "Note-taker".

What the note actually says: Kept photos of every failed 3D print from courses and hobbies with no summary and no selection.
