FICTIONAL TEST DOCUMENT

Invented usability-test input. Not a real certificate or personal record.

Incomplete note

Profile scribble: P2, Rowan Hui, Year 2, BEng Computer Science, HKU.

I think the item was "Hall Laundry Tracker". The organiser line says "Self, no organiser", which is vague. The date is written as 15 Jan 2023 - 31 Oct 2026. Hours served: N/A. Award received: None. Year of award: N/A. Someone might file this under Other. The role on the paper is "Hobby coder".

What the note actually says: Kept rewriting a laundry-slot bot whenever the hall changed its booking page, and never shipped a finished version.
